Class meetings: MWF 2:00-2:50PM, in Neckers 410.

Office hours: MWF 9:00-11:00 AM.

2 Prerequisites:

We will continue on the concepts we built in PHYS 320. Thus, “PHYS 320: Electricity and Magnetism-I” will be prerequisite for the course. In PHYS 320 we introduced the Maxwell equations and explored electromagnetism in presence of dielectric materials. We studied electrostatics in detail. Before PHYS 320, one should have completed PHYS 203B, and also completed PHYS 301. An earlier exposure to Maxwell’s equations in integral form will be assumed. A strong aptitude for algebra and basic mathematical techniques will be necessary for the course. Familiarity with the following topics will be assumed: vectors, complex numbers, differential and integral calculus, matrices and determinants, eigenvalue problems, elementary differential equations.

3 Course description

Textbook

Introduction to Electrodynamics, 4th Edition, by David J. Griffiths.

We will cover magnetostatics. Special Relativity will be motivated from the Maxwell’s equations and Lorentz transformation of electric and magnetic fields will be derived. Radiation from moving charges will be covered in detail. Propagation of electromagnetic waves in dielectric medium, scattering, and diffraction will be covered, if time permits.

Lecture notes and homework will be posted at

<http://www.sphics.com/tc/202101-SIU-P420/>.

It is advised to download relevant materials to your computer, because the website (or the internet) could be occasionally down.

Lectures

Lectures will be delivered on Zoom during the scheduled class periods. The lectures will be recorded using a web camera and the recording feature in Zoom. These recordings will be made available on YouTube as ‘Unlisted’ videos. These videos will not be public in the sense that it will not show up under a search, but anyone with the link to the video can access it.

4 Course work

Evaluation

Homework	40 %
Midterm Exams ($2 \times 15 %$)	30 %
Quizzes	10 % and y in Eq. (1)
Final Exam	20 %

Homework

Homework will be assigned roughly every ten days. It will be available on the course webpage. Students are encouraged to discuss homework problems with their classmates, instructor, and anyone. But, each student should submit their own work describing detailed steps of thought process.

Exams

Three examinations (including the final exam) will be administered.

Midterm Exam 1	February 19 (Friday)
Midterm Exam 2	March 26 (Friday)
Final Exam	May 3 (Monday, 2:45-4:45 PM, in class)

The exams will assess you on concepts covered in lectures and homework. Midterm exams will be administered in class. All the exams will be cumulative, but you are recommended to concentrate more on topics covered in the later part of the semester.

Grading

The grading will be done on a scale of 0-100. This Raw Score x (out of 100) should be used to assess your knowledge in the subject. The raw score will be converted to the university scale using the following formula for Your Score x' ,

$$x' = x + ay(100 - x), \quad (1)$$

where $0 \leq a \leq 1$ is the primary curve parameter that is decided by the instructor and y is the total score in quizzes (out of 1.00). Thus, to benefit from the curve one needs to do well in the quizzes. For example, for $a = 0.40$ and $y = 0.75$ one obtains $ay = 0.30$ and a Raw Score of 80 will lead to Your Score of 86.

SPRING SEMESTER HOLIDAYS

Spring Break - not offered this semester

DIVERSITY

Southern Illinois University Carbondale's goal is to provide a welcoming campus where all of our students, faculty and staff can study and work in a respectful, positive environment free from racism and intimidation. For more information visit: <http://diversity.siu.edu>. Additional [informational flyer](#).

DISABILITY SUPPORT SERVICES

SIU Carbondale is committed to providing an inclusive and accessible experience for all students with disabilities. Disability Support Services coordinates the implementation of accommodations. If you think you may be eligible for accommodations but have not yet obtained approval please contact DSS immediately at (618) 453-5738 or <https://disabilityservices.siu.edu>. You may request accommodations at any time, but timely requests help to insure accommodations are in place when needed. Accommodations and services are determined through an interactive process with students and may involve consideration of specific course design and learning objectives in consultation with faculty.

MILITARY COMMUNITY

There are complexities of being a member of the military community and also a student, and military and veteran related developments can complicate academic life. If you are a member of the military community and in need of accommodations please visit Veterans Services at <http://veterans.siu.edu/>

STUDENT MULTICULTURAL RESOURCE CENTER

The Student Multicultural Resource Center serves as a catalyst for inclusion, diversity and innovation. As the Center continues its work, we are here to ensure that you think, grow and succeed. We encourage you to stop by the Center, located in the Student Services Building Room 140, to see the resources available and discover ways you can get involved on the campus. Visit us at <https://smrc.siu.edu/>

SALUKI CARES

The purpose of Saluki Cares is to develop, facilitate and coordinate a university-wide program of care and support for students in any type of distress—physical, emotional, financial, or personal. By working closely with faculty, staff, students and their families, SIU will continue to display a culture of care and demonstrate to our students and their families that they are an important part of the community. For Information on Saluki Cares: Call (618) 453-2461, email suicares@siu.edu, or <http://salukicares.siu.edu/>

SAFETY AWARENESS FACTS AND EDUCATION

Title IX makes it clear that violence and harassment based on sex and gender is a Civil Rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, etc. If you or someone you know has been harassed or assaulted, you can find the appropriate resources here: <http://safe.siu.edu>

COVID-19

As a condition of on-campus enrollment, all SIUC students are required to engage in safe behaviors to avoid the spread of COVID-19, including the requirement that all students wear a mask in campus buildings, including classrooms, laboratories, and studios when others are present, regardless of social distancing. Students are expected to follow physical or social distancing guidelines by keeping at least 6 feet from others, and practicing good hand hygiene. Failure to comply with this policy may result in dismissal from the current class session. If the student refuses to leave the classroom after being dismissed, the student may be referred to the Office of Student Rights and Responsibilities. SIUC will follow federal, state and county public health recommendations and mandates in all decisions relating to university operation. Students should regularly review the link for the [SIUC COVID-19 response](#).

Masks for residential students will be furnished upon move-in to their residence hall rooms. Off-campus students can pick up a mask at the Student Center ID Office, the Student Services Building main desk, the check-in desk at the Student Health Center, the equipment desk at the Student Recreation Center, the Dean of Students Office and at the circulation desk of Morris Library. Students will need to show their student IDs to claim their masks. A limited number of masks will be available in the academic deans' offices. All questions can be directed to the Dean of Students Office. Email: deanofstudents@siu.edu Phone #: (618) 453-2461

WITHDRAWAL POLICY ~ Undergraduate only

Students who officially register for a session must officially withdraw from that registration in a timely manner to avoid being charged as well as receiving a failing grade for those classes. An official withdrawal must be initiated by the student, or on behalf of the student through the academic unit, and be processed by the Registrar's office. For the proper procedures to follow when dropping courses and when withdrawing from SIU visit: <http://registrar.siu.edu/students/withdrawal.php>
